

# COOL OUTRAGEOUS STUFF

## 1 FOR FLAWLESS HAIR

**ColorProof**, a complete line of professional luxury products, provides 100 percent vegan products with biodegradable formulas that are never tested on animals. The process in which ColorProof creates their formulas stems from innovative technology that fuses a mix of certified organic botanicals with anti-aging ingredients, a blend of superior proteins, and seven sulfate-free and salt-free surfactants. As a result, ColorProof leaves hair looking flawless, using ingredients that are not only good for your locks but that are also sustainable to the earth. Product lines are available for every hair type. Prices vary.
