

# Market Newbies

These are 'must have' products that just hit the market!

**BUMP IT OFF** is a reusable silicone "sleeve" which can be used to perform hundreds of household tasks — from cleaning upholstery to scrubbing the dirt out of the soles of your shoes to reducing the appearance of cellulite!

This mighty tool features gentle bristles on one side and smooth bumps on the other enabling it to take on any house chore thrown its way. **BUMP IT OFF** fits comfortably in your hand in multiple positions, allowing you to concentrate scrubbing power in the palm of your hand or on your fingertips.
